## Book, Bath, Table, & Time

*Youth explore elements of worship*

With the month of May comes a whole bunch of “busy.” From end of the year tests and school projects, to Graduation and parties, there is a lot to do and not a whole lot of time in which to do it!

So, during May, the youth group will be focusing our attention on worship. Each week we will spend time relaxing and playing some games, and then we will gather for a worship time centered on four elements of worship. The four elements we will focus on are; Book (how does the Bible and the story of our faith influence worship); Bath (what is the importance of Baptism and how does it tie in with our every day lives); Table (what is Communion and why do we celebrate it?), and Time (why do we need bulletins and what is liturgy anyway?).

Overall, this will be a nice and easy month, but hopefully it will be a meaningful month as well. All of this will be gearing up to an end of year party and bonfire at the Ostrem’s on June 2nd!

Looking forward to finishing our first year together!

See you on Youth Night!

Pastor Jonathan

### 30-Hour Famine Recap

From April 29-30, nine brave individuals embarked on a 30-hour famine to raise awareness about hunger and poverty. During the famine we went to visit (with cookies!) a few members of our congregation and did some yard work for another! It was a great weekend. On Saturday morning, we broke our fast with a small worship service and Holy Communion -- using bread we made ourselves!
